### Parking Regulations

- Our office hours are Tuesday thru Friday 9am to 3 pm
- Permits must hang on the vehicle's mirror in plain view at all times
- Sharing of permits is not allowed. We cross reference permit numbers with license numbers
- The approved parking area for 24/7 permit holders is in FCC's lower parking lot. Absolutely *no parking at anytime* is allowed in spaces reserved for church clergy, church staff or church visitors.
- Periodically, when there is something special happening here at the church (ie. construction, a large meeting, etc), we will block off our driveway with signs and orange cones. *You have permission* to move the cones aside, drive in, replace the cones and continue on to park. (Our real purpose on these days is to restrict parents from the Westlake Elementary School from parking here).
- Periodically (maybe 3-4 times a year) there will be a large community event here at the church in the evening and you might not be able to find a place to park in the normal parking lot. If that happens, feel free to park in the upper parking lot (make sure your hang tag is very visible) and then return in the next day or two to move your car down to the regular lot. We truly apologize if you can't find a place in either lot, but EVERY event at the church is over by 10pm (at the latest) so you might have to return at that time.
- Your permits **are valid** 24/7 for the school year. However, it is our understanding that you are allowed to park on campus on the weekends. We would really appreciate it if, at all possible, you could move your vehicle on Friday night and return it to our lot on Sunday afternoon. We need all the spaces we can get on the weekends for Saturday events and for our worship services.
- Our overnight parking permits are valid anytime during the week, even if we have a funeral or other event scheduled (see above).

I understand that the fee for 24 hour parking at First Congregational Church is \$550 for the 2011-12 school year and that the fee is due in full at the time I sign this contract. I also understand that, if my circumstances change mid-year and I no longer require overnight parking, there is no guarantee of a refund (it is the policy of the church that IF we can "re-sell" your space, we will be happy to give you a partial refund). I agree to park only in the designated areas and, whenever possible, to move my car to the campus on the weekends in order to provide more parking spaces for church activities.

By signing this agreement, I acknowledge having read and agreed to the following terms and conditions: First Congregational Church, Santa Cruz assumes no liability for damage of any kind whether due to collision, fire, theft, loss or otherwise. All property left in a vehicle is left at the owner's risk.
